Chapter 11

Case No. 24-01863-11

(Jointly Administered)

**GLOBAL NOTES TO THE DEBTORS' SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors in possession (each, a “Debtor,” and collectively, the “Debtors”) are filing their respective Schedules of Assets and Liabilities (collectively, the “Schedules”) and Statements of Financial Affairs (collectively, the “Statements,” and together with the Schedules, collectively, the “Schedules and Statements”) in the United States Bankruptcy Court for the Eastern District of Washington (the “Court”). The Debtors, with the assistance of their professional advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These notes pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements. These notes should be referred to as part of, and reviewed in connection with, the Schedules and Statements.<sup>2</sup>

The Debtors have used commercially reasonable efforts to ensure the accuracy and completeness of the information and data used in preparing the Schedules and Statements. As discussed further below, because of pre- and post-petition employee turnover and layoffs, the Debtors have experienced difficulties in obtaining and verifying certain information in the Debtors book and records and, as a result, the information contained within the Schedules and Statements may include inadvertent errors, omissions or inaccuracies. The Debtors and their advisors continue in their efforts to obtain and verify all information and data required for these Schedules and Statements, and therefore reserve all rights to amend or supplement the Schedules and Statements as may be necessary and appropriate.

---

<sup>1</sup> The Debtors and debtors-in-possession in these Chapter 11 cases (“Bankruptcy Case(s)”), along with their respective Employer Identification Numbers, are as follows: Refreshing USA, LLC (85-3358945) (“Refreshing”), Case No. 24-01863-11; Water Station Management LLC (81-1202716) (“Water Station”), Case No. 24-01864-11; and Creative Technologies, LLC (46-2581888) (“Creative” and, together with Refreshing and Water Station, “Debtors”), Case No. 24-01866-11. Debtors’ mailing address is: 2732 Grand Ave., Ste. 122, Everett, WA 98201.

<sup>2</sup> These notes are in addition to any specific notes that may be contained in each of the Schedules or Statements. The fact that the Debtors have prepared a general note herein with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such general note to the Debtors’ remaining Schedules and Statements, as appropriate.

**Basis of Presentation.** The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”) and are not intended to be fully reconciled with any financial statements or other reporting of the Debtors.

**“As of” Information Date.** Unless otherwise indicated herein or in the Schedules and Statements, all financial information for Refreshing and Water Station in the Schedules and Statements and these notes is provided as of October 2, 2024, or as close thereto as reasonably practicable under the circumstances. Unless otherwise indicated herein or in the Schedules and Statements, all financial information for Creative in the Schedules and Statements and these notes is provided as of October 23, 2024, or as close thereto as reasonably practicable under the circumstances. October 2, 2024, and October 23, 2024, are collectively referred to herein as the “Petition Dates”.

**Available Information.** In preparing the Schedules and Statements, the Debtors relied upon information from their books and records available at the time of such preparation and upon the knowledge and belief of the Debtors or their agents where appropriate. The Debtors are aware that those books and records have not been recently maintained due to various operational and liquidity issues, employee layoffs, and employee turnover; however, they have made reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements. For these reasons, inadvertent omissions or inaccuracies may exist in the Schedules and Statements, and the receipt or discovery of subsequent information may result in material changes to the Schedules and Statements.

The Debtors include three entities that are part of a larger grouping of over 40 privately owned and related companies that are under some or all common control. The Debtors have made reasonable efforts to schedule all assets and liabilities which they reasonably believe they either own or owe outright, or otherwise may plausibly have a claim to ownership or may be subject to a claim of owing. Efforts to confirm the validity of all such claims remain ongoing and may result in material changes to the Schedules and Statements.

The Debtors, and their employees, officers, agents, advisors and attorneys, do not guarantee or warrant the accuracy or completeness of the data that is provided herein. The Debtors, on behalf of themselves and their employees, officers, agents, advisors, attorneys, disclaim any liability to any third party arising out of or related to the information contained in the Schedules and Statements, and reserve all rights with respect thereto. The Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements from time to time, in all respects, as may be necessary and appropriate. Notwithstanding the foregoing, the Debtors and their officers, agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as expressly required by the Bankruptcy Code.

**Summary of Significant Reporting Policies.** The following is a summary of certain significant reporting policies:

a. **Valuation.** It would be prohibitively expensive and unduly burdensome for the Debtors to obtain current market valuations of their assets. The Debtors do not have current market valuations of their equipment or estate assets. Accordingly, unless otherwise indicated herein or in the Schedules and Statements, the Schedules and Statements reflect the net book values (cost less accumulated depreciation and/or amortization), rather than current market values, of the Debtors' assets as of the Petition Date (unless another date is indicated herein or in the Schedules and Statements) and may not reflect the net realizable value. Book values of assets prepared in accordance with GAAP generally do not, and any estimates may not, reflect the current market value of the assets and may differ materially from the actual value of the underlying assets. Accordingly, nothing in the Schedules or Statements is or shall be deemed to be an admission with respect to such values. The Debtors reserve the right to amend such values or estimates to reflect changes in underlying assumptions or the receipt of additional information.

b. **Estimates and Assumptions.** Because of the timing of the filings, the Debtors were required to make certain estimates and assumptions that may have affected the reported amounts of these assets and liabilities. Actual amounts may materially differ from those estimates. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in its estimates and assumptions.

c. **Payables, Credits and Adjustments.** Claims of creditors are listed in the amounts recorded on the Debtors' books and records, based on invoices received and other relevant documentation from or contracts with such creditors. These amounts may not reflect certain credits, set-offs, allowances, or other adjustments due from such creditors.

d. **Leases.** Nothing in the Schedules and Statements is, or shall be construed as, an admission as to the determination of the legal status of any lease, including, without limitation, whether any lease is a true lease or a financing arrangement, and whether such lease is unexpired.

e. **Excluded Assets and Liabilities.** The Debtors have excluded rejection damages claims of counterparties to executory contracts and unexpired leases that may (or may not) be rejected. In addition, certain immaterial assets and liabilities may have been excluded.

f. **Executory Contracts and Unexpired Leases.** Executory contracts and unexpired leases which the Debtors have been able to identify are set forth on Schedule G and are incorporated into Schedule A/B as applicable. The Schedules and Statements do not reflect any claims or estimates for future contract rejection damages.

g. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been

terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a license or other transaction. The Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

h. **Causes of Action.** Despite efforts to identify all known assets, the Debtors may not have listed all their causes of action or potential causes of action against insiders and third parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertible directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law they may have, and neither these notes nor the Schedules and Statements shall be deemed a waiver of any such claims or causes of action or in any way prejudice or impair the assertion of such claims or causes of action.

i. **Fiscal Year.** The Debtors' fiscal year ends on December 31<sup>st</sup> of each year.

j. **Confidentiality.** There may be instances within the Schedules and Statements where names and/or addresses have been redacted or left blank out of concerns for confidentiality or privacy of individuals, including without limitation employee addresses. To the extent that certain addresses are withheld, the Debtors will make such addresses available upon reasonable request subject to any applicable law.

**Unknown or Undetermined Amounts.** Where a description of an amount is left blank or listed as "unknown" or "undetermined," such response is not intended to reflect upon the materiality of such amount.

**503(b)(9) Claims.** The liabilities listed on the Schedules and Statements do not reflect any analysis of any claims under section 503(b)(9) of the Bankruptcy Code.

**Signature.** The Schedules and Statements are signed by Brian S. Weiss, Chief Restructuring Officer for the Debtors and an authorized signatory of the Debtors. In reviewing and signing the Statements and Schedules, Mr. Weiss has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Weiss has not (and could not have) personally verified the accuracy of each statement and representation contained in the Statements and Schedules, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

**Reservation of Rights.** The Debtors reserve all rights to (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including,

without limitation, the right to amend the Schedules and Statements with respect to any claim description or designation; (ii) dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (iii) subsequently designate any claim as “disputed,” “contingent,” or “unliquidated;” or object to the extent, validity, enforceability, priority, or avoidability of any claim. Listing a claim does not constitute an admission of liability by the Debtors against which the claim is listed. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors’ chapter 11 cases, including without limitation issues involving claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in these notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements except as may be required by the Bankruptcy Code or otherwise ordered by the Court.

**Global Notes Control.** In the event that the Schedules or Statements differ from any of the foregoing notes, these notes shall control.

#### **NOTES FOR SCHEDULES OF ASSETS AND LIABILITIES**

**Schedule A/B – Assets – Cash and Cash Equivalents.** With the exception of one bank account controlled by the Receiver appointed pre-petition for these Debtors, it is understood that all bank accounts open in the name of these Debtors at some point prior to the Petition Dates were closed or otherwise overdrawn in advance of the Petition Dates. For this reason, only the one account controlled by the Receiver, held in the name of Creative, is shown on Schedule A/B, Item 3. All other bank accounts that are believed to have been open in the name of these Debtors prior to the Petition Dates are shown on Statement 18 with estimated account closure dates.

**Schedule A/B – Assets – Accounts Receivable.** The majority of the accounts receivable recorded in the Debtors’ books as of the Petition Dates are significantly aged, well in excess of 90 days in many instances, and may therefore be largely uncollectible. Accordingly, the accounts receivable have been reserved for in the Schedules.

**Schedule A/B – Assets – Inventory.** The Debtors inventory consist primarily of water stations and related parts, and vending machines and related parts. The Debtors do not have detailed inventory records to provide support for the amounts included in Finished Goods and Other items recorded in their books as of the Petition Date, and it is not known if or when any inventory counts were conducted. The Debtors have retained an asset recovery firm to assist with identifying the Debtors’ inventory. Pending more current data becoming available, these amounts remain subject to material revision and information related to inventory counts is shown as being “Unknown” both on Schedule A/B, Items 21 and 22 and on Statement 27.

**Schedule A/B – Assets – Real and Personal Property.** All vehicles and other equipment identified on Schedule A/B, Parts 7, 8 and 9 are listed net of depreciation and/or amortization and do not reflect impairment reserves. The Debtors list office equipment and furniture on Schedule A/B, Item 39; vehicles on Schedule A/B, Item 47; and vending machines, water station machines,

and warehouse equipment on Schedule A/B, Item 50 in the amounts recorded in their books and records. Detailed lists of vending machines, water station machines, and vehicles, that the Debtors have identified are attached to Schedule A/B, however these lists remain subject to further verification that such assets are owned by the Debtors as opposed to their subsidiaries, affiliated entities, related entities, or a third party. The Debtors and their estates reserve all rights they may have under applicable law in connection with their asserted real property lease interests.

Schedule A/B, Item 55, lists only those leases that the Debtors have identified to date. Efforts to identify additional leases, for warehouse, office, or other potential locations, remain ongoing.

**Schedule A/B – Assets – Intangibles and Intellectual Property.** Certain intangibles or intellectual property are listed on Schedule A/B, Part 10 with an unknown or undetermined amount on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors. As mentioned above, the Debtors do not have current valuations for estate assets, including the intangibles and intellectual property recorded in their books and records.

**Schedule A/B – Assets – All Other Assets.** On Schedule A/B, Item 71, the Debtors will need to analyze and reconcile their books and records to each of their respective subsidiaries and related entities to more accurately identify such counterparties. Pending the completion of that analysis, the net amounts due to the Debtors from those intercompany transactions are shown in total for all counterparties, which is how they are recorded in their books and records.

On Schedule A/B, Item 72, the Debtors are in the process of analyzing their existing tax attributes, including potential refunds and the ability to utilize net operating losses, if any, in the future. Pending the completion of that analysis, the current values of any such amounts are undetermined.

Known causes of action or potential causes of action against third parties are included in Schedule A/B, Item 74. The amounts included do not include all possible actions including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws (including, but not limited to, intellectual property laws).

**Schedule D – Creditors Who Have Claims Secured by Property.** The Debtors have included on Schedule D all claims they believe are secured. They have not included all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtors, inchoate statutory lien rights, or real property lessors, utility companies or other parties that may hold security interests.

The descriptions of claims and collateral in Schedule D are provided in summary form only. Reference must be made to the applicable transaction documents to obtain a complete description of the claims secured by collateral and the collateral securing such claims.

**Schedule E/F – Creditors Who Have Unsecured Claims.**

**Part 1.** Certain creditors listed on Part 1 of Schedule E/F, particularly those listed as being owed for pre-petition payroll claims, may have already been paid some or all of the amounts owed to

them based on a court-approved emergency payroll motion [Dkt. #148]. The Debtors are in the process of analyzing all payroll amounts owed to their employees and former employees, including verifying that the Debtors were the actual employer as opposed to a non-debtor subsidiaries, related entities, and/or affiliates.

**Part 2.** Certain creditors listed on Part 2 of Schedule E/F may owe amounts to the Debtors; accordingly, the Debtors and their estates may have valid setoff and recoupment rights with respect to such amounts. Where able, the Debtors have reflected claims on Part 2 of Schedule E/F net of deposits, retainers, and prepayments.

**Schedule G – Executory Contracts and Unexpired Leases.** Omission of a contract, lease or other agreement from Schedule G does not constitute an admission that such omitted contract, lease or agreement is not an executory contract or unexpired lease. Likewise, the listing of an agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease, or that such agreement was in effect or unexpired on the Petition Date or is valid or enforceable. The agreements listed on Schedule G may have expired, or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements that may not be listed on Schedule G.

### **NOTES FOR STATEMENTS OF FINANCIAL AFFAIRS**

**Statement 3.** Statement 3 includes known disbursements or other transfers made by the Debtors within 90 days prior to filing, except for payments on account of compensation paid to employees in the 90 days prior to the Petition Date. Because all other bank accounts are believed to have been closed or overdrawn approximately 90 days prior to the Petition Date, this information was obtained from that one bank account controlled by the Receiver, as referenced above.

**Statements 4 and 30.** Statement 4 includes all disbursements or other transfers to Insiders made by the Debtors within 1 year prior to filing. Because there were no such disbursements made pre-petition from the one bank account controlled by the Receiver, this information was obtained solely from that Debtors' books and records, which has not been currently maintained. The Debtors will continue to search for transactions which subsequently may need to be included on these Statements.

**Statement 8.** As set out above, prior to the Petition Dates, a Receiver was appointed for Debtors. Pursuant to the order appointing the Receiver, the Receiver was appointed as the general receiver with respect to the management and operations of Debtors and all of their assets wherever located, and with respect to all products and proceeds thereof, with authority to take exclusive possession and control of the assets.

**Statement 18.** All bank accounts in the name of the Debtors are believed to have been closed prior to the Petition Dates, with the exception of one account controlled by the Receiver. Accordingly, those bank accounts believed to have been closed prior to the Petition Dates are listed on Statement 18 with estimated account closure dates.

**Statement 26(d).** From time to time, the Debtors may have provided financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing and other reasons. Recipients may have included regulatory agencies, financial institutions, investment banks, vendors, landlords, debtholders and their legal and financial advisors. The Debtors currently do not have the names of these parties. Additionally, due to the confidentiality requirements of related non-disclosure agreements, and the number of parties that have received such statements, such parties are not listed in response to this question.

**Statement 27.** Due to employee layoffs and termination, the dates of when or if inventory counts were conducted are not known.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit.
